Sample Employee Open Enrollment Communication and Instruction

ADP Benefits & Talent Solutions

Overview

Open Enrollment Communication

ADP has provided a sample template for communicating Open Enrollment information to your employees. Keep in mind that Employee Self Service contains an Enrollment wizard that walks employees through Open Enrollment.

Please customize this template for your company where you find text that is formatted as follows:

- * Indicates areas where you may refer to the website in a different way. Please change the text, if appropriate.
- ** Indicates areas where you may need to enter your company-specific information.

You can also place customized instructions on the Home page, which allows you to provide your employees with additional information and directions. To customize instructions, click the **Configure homepage** icon.

Here you can select **Add New Tile** to add a customized tile for your upcoming Open Enrollment.

Configure homepage

Configure Homepage lets you add or change content on your company's homepage. You can create custom content, reorder the tiles on the page, resize custom tiles, or make tiles active or inactive. Any changes you make to the tiles are visible to any security profile assigned to that tile.

The screenshot shows the ADP mobile app login interface. At the top right, there is a language selection dropdown set to "English (US)". The main heading is "Welcome to ADP®". Below this is a "User ID" label followed by a text input field. Underneath the input field is a checkbox labeled "Remember User ID" with an eye icon. A "Next" button is centered below the checkbox. Below the button is a link for "Forgot your user ID?". A horizontal line separates this section from the "New user?" section, which includes a plus icon and a "Create account" link. At the bottom, there is a QR code and text encouraging users to download the ADP mobile app, with a "LEARN MORE" link and arrow.

Enter your User ID and password, and then click **Sign In**.

Note: If this is your first time logging in, click **Create account**. If you are unsure of the registration code, please contact your HR team.

Upon logging in, you will be presented with a pop-up showing important information about this Open Enrollment period. You can click **Enroll Now** or **Remind Me Later**.

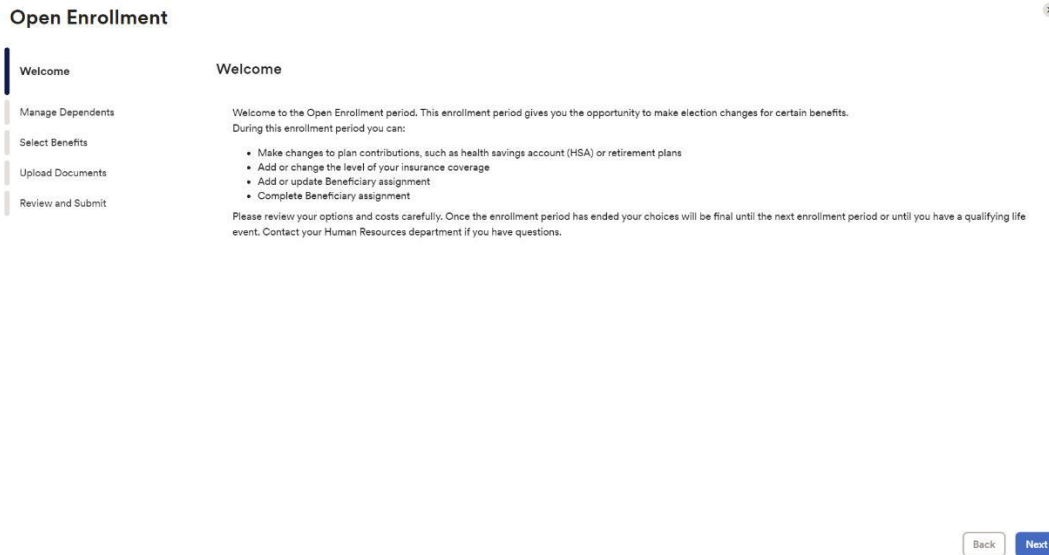

Note: This pop-up is displayed each time you log in during the Open Enrollment period. 24-hours after submitting your selections the pop-up will no longer display.

Select **Enroll Now** will bring you to the Myself – Benefits – Enrollments screen where you can click **Start Enrollment**.

You will be taken to the **Welcome Note**. Please review all information on this page, as there are often important details regarding your Open Enrollment options. Click **Next** after reviewing the Welcome Note to move to **Manage Dependents**.

- Make changes to plan contributions, such as health savings account (HSA) or retirement plans
- Add or change the level of your insurance coverage

Please review your options and costs carefully. Once the enrollment period has ended your choices will be final until the next enrollment period or until you have a qualifying life event. Contact your Human Resources department if you have questions.

Click **Next** to proceed to **Surveys**.

The **Survey** screen will prompt **only** if applicable based on the settings within the enrollment profile itself. If any tobacco attestation is required you must acknowledge the attestation (“I agree that all the information provided about my dependents and my tobacco usage is true and correct”) in order for **Next** to be available and allow you to continue to the **Select Benefits** page.

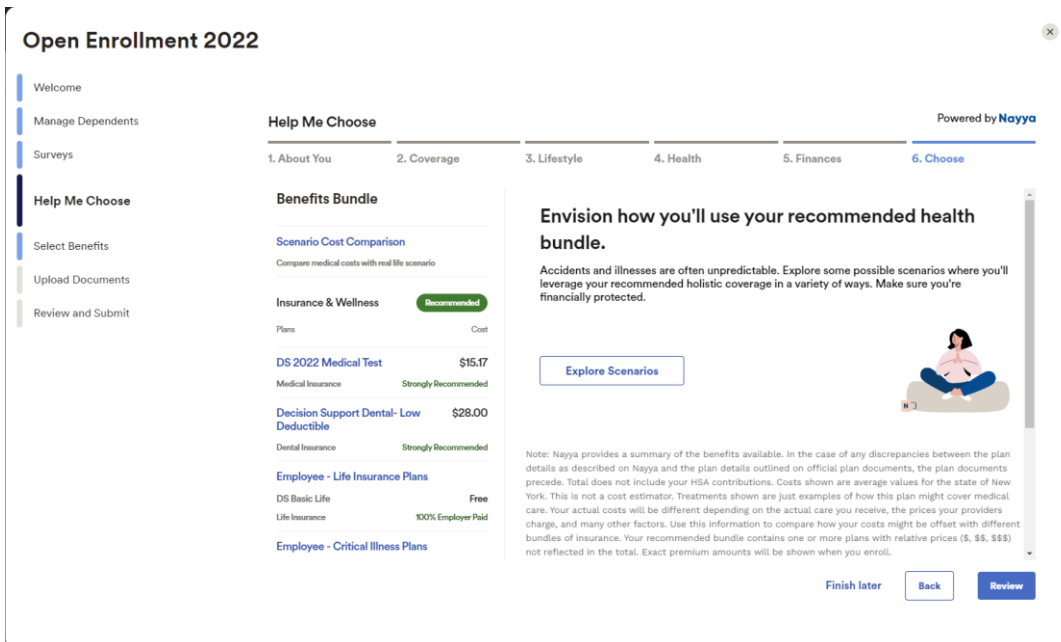

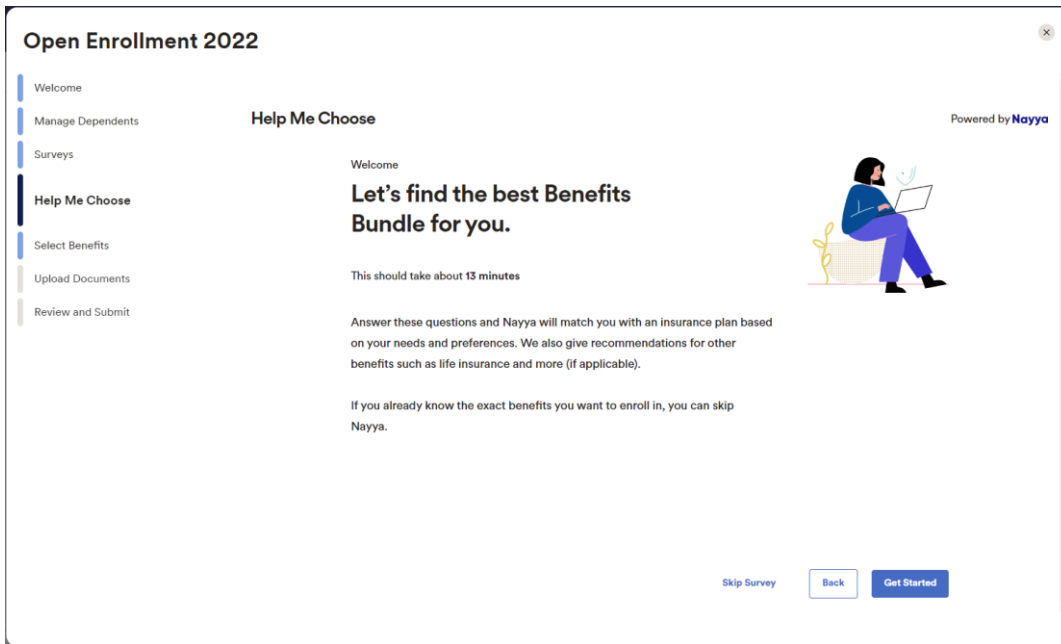

The screenshot shows the 'Open Enrollment' interface. On the left is a vertical navigation menu with five items: 'Welcome', 'Manage Dependents', 'Surveys' (highlighted with a dark blue bar), 'Select Benefits', and 'Review and Submit'. The main content area is titled 'Surveys' and contains the following text: 'Before you continue, confirm the following information.' Below this is a rounded rectangular box with the heading 'Tobacco Usage'. Inside this box are two questions, each with radio button options: 'Are you a Tobacco User?' and 'Is Spouse Name a Tobacco User?'. Both questions have 'No' selected. Below the box is a checkbox with the text 'I agree that all the information provided about my dependents and my tobacco usage is true and correct'. At the bottom right of the screen are three buttons: 'Finish later', 'Back', and 'Next'.

The **Help Me Choose** step in the employee self-service wizard is where Decision Support (powered by Nayya) is located. It's an optional feature allowing you to walk through an interview-based questionnaire about health, lifestyle, and financial information to provide recommendations for the best benefit plan offerings, suited specifically for you. The responses you fill out are only between you and Nayya. Your employer will not be able to view any of the responses. On average, the Decision Support process will take around 13 minutes to complete.

The below page is for clients with Decision Support enabled. Skip to pg 9 if you do not have Decision Support

The next step is **Select Benefits**. You will see the plans that have been recommended by Nayya and plans that have already been selected.

You can continue to make enrollment changes outside of the recommendations. There are badges on each enrollment card, shown below, that display your enrollment status. (i.e. Selected = Enrolled, Recommended = part of recommendation)
